**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Approving the USTelecom petition is very bad for competition and for consumers. The petition will cause price hikes for consumers who require the use of broadband for education and business. This petition will seriously harm local providers in their efforts to keep up with big telephone companies.
